

How to Register Your Child

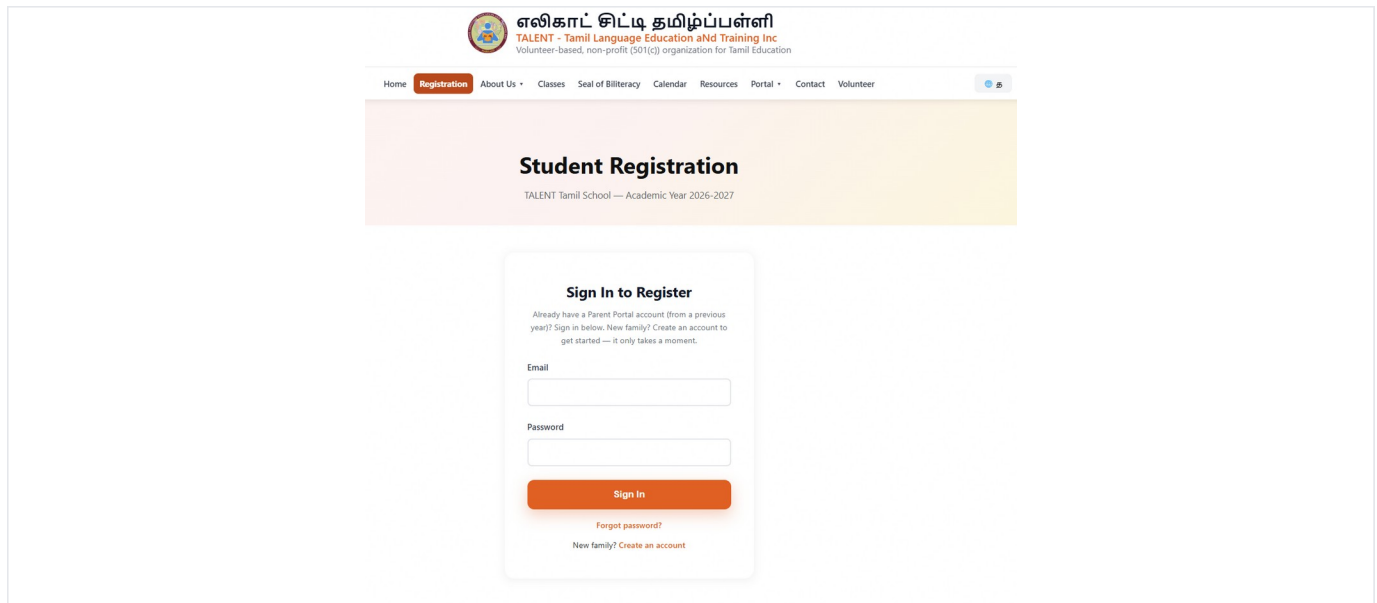

A step-by-step guide to creating an account and submitting your registration — no prior sign-in needed to read this.

1. Creating Your Account

You don't need an account to browse the public website, but you do need one to register a child. The Registration page is reached from the main site navigation, top right of any page:

1. Go to the Registration page.
2. If you've never used the site before, click "Create an account" and set a password for your email. If you've registered a child with TALENT before (even in a past year), just sign in with your existing email and password instead — don't create a second account.
3. Forgot your password? Use the "Forgot password?" link — a reset email will be sent to you.

Both parents in a family can each have their own separate login if they'd like — you don't need to share one account.

2. Filling In the Form

The same form is used whether this is your first child ever, an additional child, or a returning student for a new school year. A few things worth knowing before you start, shown right on the form itself: classes are held Fridays at a Howard County based school, registration isn't complete until payment is made, and there's a hard deadline each year (the form shows the exact date). If your child finished Nilai 10, register them for Nilai 11 (Spoken Tamil) specifically — it's mandatory for the Biliteracy oral exam.

Student Registration

TALENT Tamil School — Academic Year 2026-2027

Signed in as [senthil.subramaniam3@testparent.com](#) — [not you?](#)

Before you begin:

- Classes are held on Fridays at a Howard County based school.
- All students — new and returning — must complete this form.
- **Registration is not complete until payment is made** (see Payment section below).
- The last day to register is **September 30, 2026**.
- Orientation date and first day of class will be announced separately.
- **Nilai 10 students:** please register for **Nilai 11** (Spoken Tamil), which is mandatory for the Biliteracy oral exam.
- Questions? Email Office@tamiltalent.org

We found a possible existing record for your family (Kavya Subramaniam). No action needed — this is just a note for our records team during review.

Select grade...

1. Fill in the Student Information section.
2. If you've registered with TALENT before, your Parent/Guardian and Address & Contact details will already be filled in from last time — check them over and update anything that's changed.
3. Emergency Contact must be filled in fresh every time, even if it hasn't changed — this is intentional, so the school always has your most current emergency information.

3. Consent and Payment

1. Near the end of the form: check the Liability Disclaimer box (required), and answer whether you consent to your child appearing in group photos TALENT may use in newsletters, the website, or social media.
2. Choose your payment method — Zelle (\$300, sent to payments@tamiltalent.org) or PayPal (\$315, which includes a \$15 convenience fee) — and follow the instructions shown.

Registration Fee Payment

Fees are per child — please pay separately for each student.

☐ Zelle — \$300.00

Send to payments@tamiltalent.org (or scan the QR code provided separately).

☐ PayPal — \$315.00 (includes \$15 convenience fee)

PayPal payment link will be provided after you submit this form.

Registration is not complete until payment is made. Please complete your payment using the method selected above. TALENT will confirm receipt of both your registration and payment before finalizing enrollment.

3. Submit the form. If our system spots what looks like a duplicate submission for the same child, you'll be asked to confirm before it goes through — this is just a safety check, not an error.

4. After submitting, you can immediately register another child (the form reloads, pre-filled again) or sign out.

4. What Happens Next

An ExCo member reviews your registration, confirms payment, and assigns your child's class. Once enrollment is finalized, you'll gain full access to Parent Portal for that child — attendance, homework, test scores, messaging your child's teacher, and more. That's covered in its own guide, available once you're signed in to Parent Portal.

⚠ Known Limitations (as of this testing round)

These are known, not bugs — no need to report them unless something behaves differently than described here.

- There's no automated email confirmation yet — you won't get an email when your registration is enrolled. Check Parent Portal directly, or reach out to office@tamiltalent.org if you're unsure of your status.
- Payment is verified manually by ExCo, not automatically — there can be a short delay between sending payment and it being confirmed on your registration.
